TOULOUSE FRA

LIVING AND STUDYING IN TOULOUSE

With 450 000 inhabitants, Toulouse is the 4th largest city and the 2nd best place to live in France according to a recent poll.

Known as the “pink city” for its ancient brick walls and its generous amount of sunshine, it is also reputed for its research and competitiveness clusters: aerospace valley, pharmaceutical industry & biotechnologies, electronics / embedded systems.

LEADER SHIP

My vision for IAE Toulouse School of Management is clear, namely to be a leading business school in Europe while maintaining our specificity and foothold within the university. Our international strategy is threefold: to be a leader in research in the field of management; to host a highly reputed faculty, including international scholars from prestigious institutions across the globe; to increase student mobility and attract the best international students.

With more than 80 academic partners worldwide, approximately 20% international students, the recruitment of top international faculty members, a prestigious international accreditation and an intense research activity, IAE Toulouse School of Management sees itself as a top tier European business school.

Pr. Hervé PENAN
Dean

IAE is the School of Management of Toulouse 1 Capitole University. IAE offers degrees in management at undergraduate, graduate and doctoral levels for both full-time and continuing education students.

The teaching methods and the presence of international contacts and top-level professionals allow each program to meet its objectives and to contribute to the excellent reputation IAE has among students and professionals.

Teaching styles, international contacts and the integration of top-level professionals are all designed to meet the objectives of each programme and contribute to the excellent reputation of IAE among students and business professionals.

Located in the heart of Toulouse, IAE offers students a rich learning environment.

With up-to-date computer and library network facilities, video conferencing rooms and strong administrative support, IAE provides ideal conditions for students to succeed in their studies and make the most of the Toulouse experience.

EXPER TISE

MATCHING BUSINESS WORLD NEEDS

IAE Toulouse School of Management works in close interaction with the business world. Through numerous agreements and company sponsored chairs IAE is able to cooperate with economic partners. We offer students the necessary skills to take up responsibilities in any type of company and assist them in their career paths. During their Master Programme, students are required to complete an internship in a company for a total of nine months. Furthermore, IAE develops specific programmes to respond to companies training needs.

IAE JUNIOR CONSEIL

IAE Jr Conseil was created in March 2007 and is a student-led management consulting organisation. It is a professional association composed of dynamic and rigorous students eager to meet their clients expectations and deliver professional results at advantageous rates.

THEIR FIELD OF EXPERTISE:

- Marketing and strategy: market study, marketing plan...
- Finance: business plan, profitability study...
- Accounting and management control: cost accounting, cost analysis
- Human resources: recruitment, audit...

All the experience accumulated is passed one from team to team every year to guarantee our clients continuity.

SCIENTIFIC EXCELLENCE

Faculty actively participate in generating knowledge in their fields of expertise through numerous publications and the organisation of conferences. Scientific excellence has confirmed the national and international reputation of IAE amongst institutions of higher education and research worldwide.

Research activities are organised around two structures:

- the CRM (Center for Research in Management) - CNRS affiliated
- the Doctoral School of Management
