Main programmes of study

Founded in 1907, ESSEC has built its influential brand name on our comprehensive range of programs that have evolved in response to student needs, corporate developments and an evolving business climate. The programs taught in English include:

- Bachelor in Business Administration
- Master of Science in Management
- MBAs : Global MBA, MBA in Hospitality Management, MBA in International Luxury Brand Management
- Advanced Master in Financial Techniques Advanced Master in Strategy and Management of International Business
- ESSEC & Mannheim Executive MBA
- Ph.D.
- Additionally, 12 Advanced Masters programs and a wide range of executive education courses are also offered in French.

Research

ESSEC maintains an institutional culture that favors the creation of high-quality research, mainly through the recruitment of research-oriented faculty hailing from some of the most prestigious institutions worldwide. In addition to a strong PhD program and a substantial number of staff members involved in research back-up activities, our 127 research professors generate a very significant flow of publications and help make ESSEC a significant player in business research in France and in Europe.

The most experienced professors from ESSEC are recognized experts and have strong leadership in research, as indicated by the large number of academic awards they receive. In 2011-2012 alone, ESSEC professors received 15 international awards.
