

EICAR - École Internationale de Création audiovisuelle et de réalisation

PROFILE

EICAR was founded in 1972. The School has developed over the years to become a major European film and television school.

Our mission is to prepare our students for the international job market.

Eicar, a school whose expertise is widely praised by the industry, focus:

- High level knowledge and skills,
- The development of industry skills through teamwork and an emphasis on responsibility. A pedagogy based on practical experience and team working.

EICAR is part of a Quality plan through which we are committed to:

- Allow students to identify their career plans.
- Ensure both technical and relevant means for each program.
- Entrust the training programs to working professionals and university graduate professors.
- Develop the "School-Employers" relationships to anticipate societies' needs in terms of skills, in order to encourage employability.
