Cergy

EISTI

EISTI - École Internationale des Sciences du Traitement de l'Information

PROFILE

School of engineering specializing in mathematics and computer science
Accredited by CTI (the French national commission on engineering degrees) and member of CGE, the Conférence des Grandes Ecoles
Admission requirements:
- Preparatory program (2 years): French baccalauréat type S and entrance examination (Concours Avenir sur APB)
- Engineering program (3 years): Grande école preparatory program (CPGE type MP, PC, PSI, PT) and entrance examination (Concours Communs Polytechniques); plus transfers and international admissions
- Student's choice of two campuses: Cergy and Pau
- 1,000 students and 3,500 alumni

Main programmes of study
• Financial engineering
• business intelligence
• Data Science
• Cloud computing
• Enterprise resource planning integration
• Embedded computing
• Mechatronics
• Cyber security
• Visual computing
• Mathematic engineering and computer simulation
• Programs taught in English: Master's degree accredited by the Ministry of Higher Education and Research:
• Quantitative Finance and Risk Management
• Business Analytics: Architecture, Data Exploration and Optimization

Research
• Research labs in financial mathematics and computer science. (QUARTZ)
• Member of the following competitiveness clusters: AsTech, Moveo, Cap Digital, Systèm@TIC, Pôle Mer PACA

Photograph provided by the institution

Strengths
• Double competence in engineering and management
• Continuously updated curricula (new tracks and options)
• Many dual degree programs within France and with overseas institutions
• Immediate employment for graduates; excellent reputation among employers and recruiters
• Two ultramodern campuses: videoconferencing, e-learning, student laptops

Location
Two campuses: Cergy, Ile-de-France region (30 km from Paris, accessible by highway and suburban rail system (RER A) Pau, Aquitaine region (near Spanish border, Toulouse, and Bordeaux)

Member of Campus France Forum

IDENTITY FORM

www.eisti.fr

Precise name of the institution ➜	EISTI - École Internationale des Sciences du Traitement de l'Information
Type of institution ➜	Private nonprofit institution recognized by the French government, accredited by CTI (the French national commission on engineering degrees), and member of CGE (Conférence des Grandes Ecoles)
City where the main campus is located ➜	Cergy
Number of students ➜	1 400
Percentage or number of international students ➜	15%
Type and level of qualifications awarded ➜	Master's degree in Engineering accredited by the CTI- Master's degree taught in English accredited by the Ministry of Higher Education and Research:»Quantitative finance and risk management» «Business Analytics: Architecture, Data Exploration and Optimization».
French language courses ➜	Yes - French as Foreign Language intensive week early September FFL 3 hours per week all year long
Programs for international students ➜	Yes
Programs in English ➜	Yes - Master degrees in Quantitative Finance Risk Management and Big Data
Registration fees / year (for information only) ➜	Preparatory classes (2 years): 4800 per year - Engineering Cycle (3 years): 7300 per year - Master in English: 7000 per year
Postal address ➜	EISTI avenue du Parc 95000 Cergy cedex

BEFORE LEAVING

✔ INSCRIPTION

- ◆ **Contact:** Marie-Josée Lamerre
  mjl@eisti.eu
  Tél. +33(0)1 34 25 10 03
  Avenue du Parc - 95011 CERGY cedex
- ◆ **Institution's online application form**
  http://www.eisti.fr/en/international-students
  Procédure CEF obligatoire.

✔ FRENCH AS A FOREIGN LANGUAGE COURSES

- ◆ Courses in French as a foreign language offered before start of academic term
- ◆ Courses in French as a foreign language available throughout the year

✔ HOUSING

- ◆ **Contact:** Vanessa Meguellati
  international@eisti.eu
  Tél. +33(0)1 34 25 10 03
  Avenue du Parc - 95011 CERGY Cedex
- ◆ **Services offered**
  • Guaranteed space in student housing controlled by institution
  • Option to reserve and secure space in another student residence
  • Institutional assistance in paying security deposit on rental housing
  • List of available rentals or of Web sites that can be used to find rental housing

The International Relations Office helps all international students to find an accommodation.

- ◆ **These services apply to**
  All international students
- ◆ **These sérvices are free**

WELCOME SERVICES

✔ UPON ARRIVAL IN FRANCE

- ◆ **Airport pick-up**
- ◆ **Transfer to study site**
- ◆ **Welcome upon arrival at study site**
- ◆ **Welcome upon arrival in student housing**
- ◆ **These services are available to**
  Only students participating in an exchange programs (covered by a cooperative agreement)
- ◆ **These services are free**

✔ UPON ARRIVAL AT THE INSTITUTION

- ◆ **Assistance with administrative and academic registration**
- ◆ **Assistance with housing** (explanation of steps to be taken with respect to housing assistance, utilities, insurance, security deposit, housing tax, etc.)
- ◆ **Help opening a bank account**
- ◆ **Assistance with administrative and regulatory compliance (such as obtaining residency permit)**

✔ ONGOING SUPPORT

- ◆ **Specific services**
  The «Bureau De l'International» (BDI) welcomes and guides all international students.
- ◆ **Assignment to peer mentor**
  All levels
- ◆ **Assignment to faculty tutor**
  All levels

✔ SOCIAL AND CULTURAL LIFE

- ◆ **Alumni network**
